PLAN REVIEW REQUIRED

Plans must be submitted with an Application for Plan Examination before a permit can be issued, except as listed below:

- Residential construction is under 3,500 square feet
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00 PLANS NOT REQUIRED

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No.299 or the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal.

APPLICANT SIGNATURE

Section 23a of the state construction code act of 1972, 1972PA 230, MEL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

Signature of Licensee or Homeowner: X

(Homeowner signature indicates compliance with Homeowner Affidavit, see below)

Homeowner Affidavit
 I hereby certify the work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with MI Codes and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Inspector. I will cooperate with the Inspector and assume the responsibility to arrange for necessary inspections.
