ITEM 1: Interviews for M-5 Pedestrian Bridge Design

The Township Board interviewed 3 professional design firms for the M-5 Pedestrian Bridge Design.
The firms chose to present and interview were OHM, Prein and Newhof and Touchstone Architecture.

Each firm was given 1 hour to present their designs/concepts and then give the board time to ask questions. These designs are enhancements that go over and above the design MDOT is providing and will be paid for by the Township.

After each firm presented, Supervisor Zoner thanked them for their time and stated someone would be in touch with them regarding a decision, which would likely be made later that evening at the Regular Township Board meeting.

ITEM 2: Adjournment

MOTION by Sovel, supported by Creech to adjourn at 6:00 p.m.

MOTION CARRIED UNANIMOUSLY

**Melissa Creech, CMMC
Clerk, Charter Township of Commerce**
