FINANCIAL REPORT

The Library Board reviewed the current financial report. Ms. Ozinga explained that the \$154,000 that was questioned last month was tax revenue moving to a different fund.

DIRECTOR'S REPORT

Connie Jo Ozinga reported on the following:

- Statistics for January 2011
- Annual report for 2010
- Shared staff in service day on November 11, 2011 at the Milford Library.
- Circulation Assistant Keith Latinen has resigned effective March 2, 2011.
- Interviews are being scheduled for the Youth Services Manager position; 29 applications were received.
- 3M RFID system – would like to order from 3M, two of the AV security case unlockers that work with our self check units for \$6,700.00 per unit.
- State budget impact on local libraries.
- Collected email addresses from the Board to eliminate any emailing issues. It was strongly suggested all email relating to government business only be sent to Board member's commerce email addresses, not personal email addresses.
- Meeting for a tour of Highland Library in March. All board members are invited and will receive a detailed invitation to the tour via email
- 4% increase, 4.7 for 2010, compared to 2009, in circulation so far this year. Passed out and reviewed library statistics
- Circulation job was posted this past Monday, February 21, 2011

The Board had a great deal of discussion on the need for security cases:

- Is this much money needed for this product? CD's will be phased out in the near future?
- Families are cutting down on entertainment, come to library and use these products on a regular basis, will be used for years to come
- Have paid the money for the new system, is working great. If this allows the public to come in and complete a transaction themselves, it would be beneficial to the library and its patrons.
 - Cut down on staff hours assisting with check outs
- If denied this purchase, would the funds be able to be spent on additional staffing or a higher priority item or will library lose funds?

DIRECTOR'S REPORT (Continued)

MOTION by Keeler, supported by LaFond, to recommend to the Township Board of Trustees, approval to purchase two (2), 3M RFID AV security case unlocker systems at \$6,700.00 per unit, not to exceed a total purchase of \$14,000.00.
