As we approach the holiday season and the close of another year, I want to take a moment to reflect on what makes our senior center community so special — **YOU!**

The holidays are a wonderful time to pause, be grateful, and cherish the people who bring meaning and joy into our lives. Whether you are spending time with family, gathering with longtime friends, welcoming new friendships, or simply enjoying the company of your neighbors here in our community, I hope this season brings you warmth, laughter, peace, and many moments to remember.

This time of year can also remind us that community is about more than the places we gather. It is about the people who check on one another, share a smile, lend a helping hand, tell a good story, or simply sit together and enjoy each other's company. Each of you contributes something special to the spirit of our center, and I am grateful for the kindness, wisdom, humor, and friendship you share throughout the year.

As we prepare to close out **2026**, let us celebrate how far we have come and look forward to all that is still ahead. Let us finish this year with **greatness** — with grateful hearts, positive spirits, and a commitment to making every day meaningful. May we carry the friendships we have built, the memories we have made, and the lessons we have learned into the new year.

From all of us at the Senior Center, thank you for being part of our community and for making this such a wonderful place to gather, connect, and grow together.

May your holidays be filled with **love, laughter, good health, friendship, and cherished memories**. And as we say goodbye to 2026, may we do so with gratitude for the year behind us and excitement for the possibilities ahead.

Warm regards,

Emily, Allison & Ashley
