**SECTION 11 BUILDING PERMIT FEES [Code Sections 12-21, 12-23, 12-167, & 20.23]**

**Section 11.1 Building Permit Fees:**

**11.1 A. General.** Fee basis/value of construction shall be determined by use of the *Building Valuation Data* (BVD) document published by the *International Code Council* (ICC), including any and all schedules and tables. Square foot construction costs will be updated annually, on January 1st of each year, by the published BVD available on that date.

Value of construction for both Building Permits and Building Plan Review shall be determined from the *ICC Building Valuation Data*. An executed contract may be considered by the acting Building Official, but the value determination shall be the Building Official's decision.

All Fees will be rounded up to the next highest dollar.

**11.1 B. Administrative Fee.** The Administrative Fee shall be determined by the Clerical Administrator's hourly wage and benefit package rounded to the next highest dollar, as adjusted annually on January 1<sup>st</sup> of each year.

**11.1 C. Permit Fee Multiplier.** The Permit Fee Multiplier used in conjunction with calculation of Permit Fees shall be apportioned according to value as follows:

The first \$0 to \$1 million dollars in value.....\$8.50 per \$1,000.00

Additional values over \$1 million to \$5 million .....\$6.50 per \$1,000.00

Additional values over \$5 million.....\$4.50 per \$1,000.00

**11.1 D. Miscellaneous Reviews.** Reviews shall be conducted when associated with a building permit application or with a request for property use not involving a building permit as required by the Zoning Ordinance, such as soil erosion, administratively approved building additions, residential sheds under 200 square feet, temporary special events, signs, fences, or other items covered by ordinance as deemed necessary by the acting Building Official.

- 11.1 E. **Zoning and Miscellaneous Review Fee.** The basis of the Zoning and Miscellaneous Review Fee shall be determined by the acting Chief Building Inspector's hourly wage and benefit package multiplied by a factor of 0.50 and rounded to the next highest dollar, as adjusted annually on January 1<sup>st</sup> of each year, for each one-half hour of review.
- 11.1 F. **Inspection Fees.** The inspection fees shall be determined by the Building Inspector's hourly wage and benefit package multiplied by a factor of 1.33, and rounded to the next highest dollar, as adjusted annually on January 1<sup>st</sup> of each year.
- 11.1 G. **Building Plan Review.** Building, Plumbing, Electrical, and Mechanical Plan Review Fees shall be determined by using the **Plan Review Fee Schedule** contained in the ***ICC Building Valuation Data*** with a multiplier of 0.60 for all plans reviewed in-house by Commerce Township. The fee for plans sent to an outside agency for review shall be the actual cost charged by the outside agency multiplied by 1.15. The acting Building Official will determine by project complexity and availability of time and manpower those plans that will be sent out for review.
- 11.1 H. **Building Permit Fees.** Building Permit Fees shall be calculated by the following method as contained in the ***ICC Building Valuation Data***:
- Building Permit Fee = Gross Area x Square Foot Construction Costs  
(from ICC Building Valuation Data Sheet) x Regional Cost Modifier x  
Permit Fee Multiplier (11.1 C).
- 11.1 I. **Investigation Fees.** Fees shall be determined by the Building Inspector's hourly wage and benefit package or, where applicable, the Clerical Administrator's hourly wage and benefit package, multiplied by a factor of 1.50, rounded to the next highest dollar, and multiplied by actual investigation time, as adjusted annually on January 1<sup>st</sup> of each year.
- 11.1 J. **New Occupancy of Existing Building.** New occupancy of an existing building shall require five (5) inspections. Four (4) inspections are required by the Building Department: one each by Plumbing, Electrical, Mechanical and Building, and one by the Township Fire Department. Violations found during inspection must be corrected and re-inspected by the respective trade inspector prior to a Certificate of Compliance being issued to allow occupancy. (Includes an initial and final inspection).
- 11.1 K. **Zoning Permits.** Determination of zoning compliance generally requires one (1) inspection. Second inspections may be required for such items as foundation location, post hole placement, etc., as deemed necessary by the acting Building Official.
- 11.1 L. **Refunds.** Refunds will be considered for processing only if work has not commenced. If no work has started and no inspections have been made, a refund

will be considered for the permit amount less the administrative fee. No refunds will be considered for plan reviews after the review has commenced.

- 11.1 M. Professional Consultation fees.** For projects that the Township deems necessary for consultation by the Township attorney, Township engineer and/or other professional consultant, the applicant shall be required to deposit funds in escrow with the Township in an amount estimated by the Township as sufficient to cover the consultation fees. The funds shall be applied only to fees to cover services actually rendered pursuant to the published professional consultation service rates. Any balance will be refunded within one year of completion of the project to the applicant or to the applicant's successor in interest.
