The following preamble and resolution were offered by _____ and seconded by _____:

BOND AUTHORIZING RESOLUTION
2008 Downtown Development Bonds
(Limited Tax General Obligation)

WHEREAS, the Charter Township of Commerce (the "Township") created the Commerce Township Downtown Development Authority (the "DDA") pursuant to Act 197, Public Acts of Michigan, 1975, as amended (the "Act"); and

WHEREAS, pursuant to the Act, the DDA prepared its Fifth Amended Development Plan and Tax Increment Financing Plan for the DDA's Development Area No. 1 (the "Plan"), which has been approved by the Township Board; and

WHEREAS, the DDA has determined that it is necessary and appropriate to finance part of the project costs of the Plan, particularly the costs of acquiring, constructing and installing certain public improvements consisting of improvements to portions of the existing Martin Road and construction of a new parkway connecting Martin Road to Pontiac Trail at the intersection of Pontiac Trail and M-5, such improvements being commonly referred to as the Martin Parkway Project (the "Project"); and

WHEREAS, the DDA approved a resolution on July 8, 2008 (the "DDA Resolution") requesting that the costs of the Project be financed through the issuance and sale of bonds by the Township in a principal amount not to exceed \$22,500,000 (the "Bonds"), pursuant to Section 16(1) of the Act, to be primarily payable from and secured by the DDA's tax increment revenues derived from Township, Oakland County and Oakland County Community College taxes levied on properties in the DDA's Development Area No. 1, which have been irrevocably pledged by the DDA to such purpose, to be further payable from other available DDA moneys, including, without limitation, the proceeds of the sale of certain properties within Development Area No. 1 by the DDA (the "Land Sale Proceeds"), and to be additionally secured by the limited tax general obligation pledge of the Township.

NOW, THEREFORE, IT IS RESOLVED THAT:

1. Useful Life and Cost of Project. The estimated period of usefulness of the Project is not less than 20 years and the portion of the cost of the Project to be financed by the Bonds, including bond issuance costs and capitalized interest, is determined to be \$22,500,000. The acquisition and construction of the Project by the DDA pursuant to the Plan and the cost and period of usefulness of the Project are hereby approved and confirmed.

2. Bond Details. The Township shall borrow not to exceed \$22,500,000 and issue its Bonds therefor (the "Bonds"), pursuant to Section 16(1) of the Act, for the purpose of paying a substantial portion of the cost of the Project, capitalized interest on the Bonds as provided herein, and the costs of issuing the Bonds. The Bonds shall be designated as "Charter Township of Commerce 2008 Downtown Development Bonds (Limited Tax General Obligation)." The Bonds shall be fully registered Bonds, both as to principal and interest, registrable upon the books of the Bond Registrar (as hereinafter defined), and may be issued in any denomination which is \$5,000, or any integral multiple thereof up to a single maturity, numbered from 1 upwards. Bonds initially issued shall be dated the date of their original issuance and delivery, and bear interest payable semi-annually from that date or from the June 1 or December 1 through which interest has been paid. The Bonds shall mature serially on June 1 of each year in the period from 2012 through 2028, inclusive, in the following principal amounts:

<u>Year</u>	<u>Amount</u>
2012	\$ 100,000
2013	\$ 100,000
2014	\$ 100,000
2015	\$ 100,000
2016	\$ 100,000
2017	\$ 100,000
2018	\$ 100,000
2019	\$1,000,000
2020	\$1,200,000
2021	\$1,400,000
2022	\$1,900,000
2023	\$2,100,000
2024	\$2,400,000
2025	\$2,800,000
2026	\$2,900,000
2027	\$3,000,000
2028	\$3,100,000

In the Sale Order (as defined in Section 15 hereof), the Treasurer may adjust such maturity schedule as required by changes in costs of the Project or bond market conditions, within the maximum principal amount of \$22,500,000, and may designate any one or more maturities from June 1, 2018 through June 1, 2028, inclusive, as term bonds and the consecutive
